

Reviews for "The King's Daughter"

"A once forgotten queen takes center stage in this gripping historical novel. Methodically researched and extremely well written, THE KING'S DAUGHTER, A NOVEL OF THE FIRST TUDOR QUEEN will pull on your heart-strings. Sandra Worth has a magical way of combing fiction and history so the reader is drawn into the heart of the book. Rich in detail, nothing has been overlooked in this breathtaking novel of love and loss ... On occasion you will read a book in which the story and characters have been so well defined that it will linger in your memory for all time, THE KING'S DAUGHTER, A NOVEL OF THE FIRST TUDOR QUEEN is indeed that book. I do have to say that this has to be one of my favorite books that I have read for a long time." ~ Renee's Reads Blogspot

"gripping, dramatic . . . an evocative tapestry of the time . . . Bewitched from the beginning, I was a captive reader until the last page. This book is an Elizabethan page-turner that offers realistic melodrama, intrigue and suspense, plotting and murder, and love and hate from fifteenth century European history."

~~ Wisteria Leigh for BlogCritics Magazine,

"The lush details and clear narrative voice of Elizabeth create a tale that draws the reader into a time long past. It's a tribute to the author that she still made me cry at the death of Arthur despite knowing the historical facts of the time period. That's the trademark of a good author, one who can still make you feel emotions even when you know what is to come. Sandra Worth provides a very solid case for her perspectives on the various historical figures [and] . . . the context is certainly fitting for how the events played out."

"Worth's authentically detailed portrait of Elizabeth of York -- the daughter, niece, wife and mother of kings -- whose marriage to Henry VII ended the War of the Roses, displays the author's passion for the period and her adoration of her characters. She turns what might be an ordinary fictionalized biography into a banquet of simply luscious and delicious history."

~~ Kathe Robin, *The Romantic Times*.

TOP PICK! RT Rating: 4 1/2 Stars. HOT.

BEST HISTORICAL BIOGRAPHY OF THE YEAR ~ the Reviewers at Romantic Times

"Another beautifully crafted and well-researched novel by Sandra Worth...a wonderful tribute to the woman who was Henry VIII's mother and Elizabeth Tudor's grandmother. "A Perfect Ten"!"

~~ Jani Brooks, Romance Reviews Today

"Worth paints a sumptuously detailed picture of royal life in the late 1400s and early 1500s. You can almost feel the brocade and see the gems glitter. And she brings to life a most sympathetic queen who came to be known as Elizabeth the Good in a book that whets the appetite for history."

~~ Donna Cruze, *Books - Page Turner*

The Knoxville News-Sentinel

"Worth vividly brings one of England's lesser-known queens to life in this luminous portrait of "Elizabeth the Good," wife of Henry VII and mother of the notorious Henry VIII. . . Woven into Elizabeth's story are the shrewish machinations of her mother and Margaret Beaufort, Henry's mother, as well as the mysterious fates of her brothers, Edward V and Richard of York, the princes who disappeared in the Tower of London. Worth (Lady of the Roses) examines Elizabeth's life with a journalist's eye, an impressive feat given that her subject left little behind for study."

~~ Publishers Weekly

"Worth's writing is lush, lavish, filled with historical detail and imagery, but it never bogs down. Instead, she creates yet another intricate page turner, a wonderful novel for any time of year."

~~ Devon Ellington, A Biblio Paradise

"Elizabeth, the Good! Elizabeth, the Beloved! Elizabeth, the King's Daughter!" You will want to know her. You will want to see her find peace. She will be made a part of you."

~~ Sadie Cass, Two Brooms Up Blogspot

"[A]n example of solidly good historical fiction."

~~ Devourer of Books Blog

"Ms. Worth, superbly done! Readers, prepare yourself for an amazing, wonderful read herein as you sit down to enjoy the life of Good Elizabeth, the first Tudor Queen!"

~~ Viviane Crystal, Crystal Reviews

"If real history classes were this wonderful, I'd have my Ph.D. by now!" ~~
Books 'n Border Collies Blogspot

"Worth obviously took a lot of time and effort to research Elizabeth of York's life, and it has really paid off. I recommend The King's Daughter to any fan of historical fiction."

~~ S. Krishna's Blogspot

"[B]rilliantly crafted and very well written and every page brings with it more interesting discoveries."

~~ Reviewer Patricia Ezewoko

"I highly, highly recommend this book."

~~ Reading and Ruminations Blogspot

"A fascinating portrait. . . A woman who deserves to be remembered"

~~ Lynn, Universal Book Reviews

"The amount of research conducted to write this book is astounding. I thought she did a wonderful job of incorporating the facts into this fictional account of Elizabeth of York's life."

~~ Julie P., Bookingmama Blogspot

"As far as historical novels go, The King's Daughter has got to be one of the best I have read in a while. I will be recommending Ms. Worth to all my friends. I plan on check out all the rest of Ms. Worth's books in the Rose of York trilogy."

~~ Cheryl's Booknook Blogspot

"THE KING'S DAUGHTER easily garners a Top Pick award from this reviewer and historical fiction buff, and I heartily recommend it." ~~Nancy Davis, Romance Reader At Heart

"This book grabbed me from the start and didn't let go until the very last page of the author's notes. It's a thoroughly engaging and entertaining read. . . . full of interesting facts woven into a stirring historical story. . . . Another interesting story line has to do with Elizabeth's brother, Dickon. I'd read mention before of "The Pretender" but this is the first book I've read that's gone into the detail that Ms. Worth does. If you're a fan of historical fiction use those Christmas gift cards and buy this one."
